Nick of Time Foundation youth heart screens are available to any child ages 14-24 for a tax-deductible donation of \$25 per person.

Payments can be made online at www.nickoftimefoundation.org/donate/, by cash or check payable to: Nick of Time Foundation.

These cardiac tests would typically cost between \$125 and \$1,500. With your generous support, NoTF screening exams are less than a doctor visit co-pay. Donations are tax deductible and help to defer screening costs, and enable future community screening events.

Grants are available for families in need, please contact info@nickoftimefoundation.org for more information.

**** This screen is not intended for children who have a diagnosed heart condition and are followed by a cardiologist. The screen is intended to identify undiagnosed heart disease and should not be a substitute for a cardiology visit or follow-up testing. NICK OF TIME FOUNDATION**

COMMUNITY HEART SCREENING

AGREEMENT TO PARTICIPATE IN HEART SCREENING

The Nick of Time Foundation is offering a heart screening program for students, athletes, and young adults age 14-25. The information obtained from participants will be reviewed by medical personnel at the event. The identity of the screening participants and information obtained in the screening program will remain confidential and available only to the Nick of Time Foundation and the physicians helping at the event. The screening program may include:

- 1. Medical History Questionnaire
- 2. Blood pressure
- 3. Physical examination
- 4. Electrocardiogram (ECG- measures electrical activity in the heart)
- 5. Echocardiogram (Echo- an ultrasound picture of the heart)

Data Collection, Analysis and Reporting

The data collected related to your heart screen will be reviewed by medical personnel participating in our event and may be used in an aggregate form (no names or identifiers) as part of a research study on heart screening in the young. In agreeing to your heart screen, you understand and provide permission that the information collected about you during the screening process, including the information contained in your medical Heart Health Survey, will be reviewed by medical personnel and can be included in a research study. Medical personnel will provide you with a summary of the results of your screening and may recommend additional evaluation through follow-up with your physician or specialist.

By agreeing to participate in the program, if so indicated you give permission to The Nick of Time Foundation and medical personnel to provide your screening results to your physician or cardiologist, and you authorize your physician to share the results and diagnosis of any subsequent testing with The Nick of Time Foundation.

I hereby give my permission for images of my child and/or myself, captured during a youth heart screening through video, photo or digital camera, to be used solely for the purposes of Nick of Time Foundation promotional material and publications and waive any rights of compensation or ownership thereto.

I acknowledge that I have read the above agreement to participate and understand its contents. Any questions have been answered to my satisfaction. I agree to be a participant in this heart screening, and in connection therewith, I consent to the release of information obtained in connection with the screening as described above. I understand that The Nick of Time Foundation will not disclose my identity to any third party without my consent. I understand that I may withdraw from the screening. I further agree to hold The Nick of Time Foundation, all physicians, technicians, volunteers, and all other persons, entities, individuals and organizations harmless and waive all subrogation rights against The Nick of Time Foundation and their directors, officers and volunteers as respects process and results of this free heart screening performed on this day.
